### Sewing Instructions:

All Half Square Triangles (HST) are made by layering two squares right sides together (RST) and stitching 1/4" away from each side of drawn diagonal line. Cut apart on line, press, then squared up to required size.

SF = stitch and flip. Used for adding corner units to sections by placing square on rectangle, stitching on drawn line, flipping open and pressing and then trimming away extra layers (i.e. making flying geese units).

The letters giving in the sewing directions refer to the Fabric letter indicating in the above cutting chart.

- Enlarge Rooster outline 200% on copy machine and using applique method of your choice, applique to center of Fabric G 16.5" square. Repeat to make 2nd block, reversing Rooster image.
- Cut all Fabric L pieces in chart above and then cut rooster applique from leftover fabric.

In all pieced blocks, press seam allowances of top and bottom row away from center, press center row toward center.

If directions say, for example, "use (4) 5.5" L" that refers to the 5.5" x 5.5" square of Fabric L.

### Shoo Fly Block (12.0" fin./ 12.5" unfin.)

Using (4) 5.5" L and (4) 5.5" F, make HSTs, trim to 4.5".

Using (8) 4.5" L and (2) 4.5" F, lay out rows of block. Stitch into rows.

Stitch rows together.

Yields 2 Blocks.

### Double Monkey Wrench (9.0" fin./9.5" unfin.)

Repeat steps from 12" Monkey Wrench Block using (4) 4.5" L and (4) 4.5" B for HST. Trim to 3.5". For strip set use 2.0" L and 2.0" B, sew strip set and subcut (8) 3.5" pieces. Sew rows into block using 3.5" L for centers. Yields 2 blocks.

### Grecian Square (12.0" fin. / 12.5" unfin.)

Using (4) 5.5" L and (4) 5.5" E, make HSTs, trim to 4.5".

Make strip set of (1) 2.5" J strip and (1) 2.5" E strip.

Press seam to J. Subcut (8) 4.5" sections. Lay out rows as show with G 4.5" square in center row. Stitch into rows.

Stitch rows together.

Yields 2 blocks.

### Variable Star Variation (12.0" fin./12.5" unfin.)

Using (4) 4.5" L and (4) 4.5" A, make HSTs, trim to 3.5". Next make flying geese units,

referring to top image at left for proper angle placement, using (8) 3.5" x 6.5" A and SF (16) 3.5" D.

Lay out rows. Use 6.5" x 6.5" I for centers of star. Yields 2 stars

### Grecian Square (9.0" fin./ 9.5" unfin.)

Repeat steps above using (4) 4.5" L and (4) 4.5" F for HSTs. Trim to 3.5". Make (1) strip set with 2.0" F and J strips. Subcut (8) 3.5" sections. Assemble block with 3.5" L center squares. Yield 2 blocks.

### Variable Star Variation (10.0" fin. 10.5" unfin.)

Follow same steps as above noting fabric placement is reversed in star points. Make HSTs from (4) 4.0" L and (4) 4.0" D. Trim to 3.0". Flying Geese: (8) 3.0" x 5.5" D. SF (16) 3.0" A. Center is 5.5" I. Yields 2 stars.

### Double Monkey Wrench (12.0" fin./12.5" unfin.)

Using (4) 5.5" L and (4) 5.5" C, make HSTs, trim to 4.5". Make strip set of (1) 2.5" L and one 2.5" C. Press to L. Subcut (8) 4.5" sections. Layout rows with 4.5" L centers. Assemble rows into block. Yields 2 blocks.

### Quilt Assembly:

Stitch 2.5" x 16.5" L to left and right of each appliquéd chicken block. (All seam allowances will now pressed toward sashing in following steps.) Add 2.5" x 20.5" L to top and bottom of blocks. Add 2.5" x 20.5" K to left and right sides of block. Add 2.5" x 24.5" K to BOTTOM of RIGHT facing rooster and TOP of LEFT facing rooster.

Sew 2.5" x 9.5" K between smaller Monkey Wrench block and smaller Grecian Square. Make 2. Follow diagrams to make sure you are getting proper placement of pieces for right and left sections. To LEFT pieced block section add 2.5" x 20.5" K to bottom of pieced blocks. Next add 5.5" x 20.5" H to bottom of section. Make sure birds in print are right side up. Then add 2.5" x 16.5" K to left and right of section. To RIGHT section add 2.5" x 20.5" K to top of pieced blocks, 5.5" x 20.5" to top, and 2.5" x 16.5" K to left and right. Sew left section above to bottom of right facing rooster and right section above to top of left facing rooster.

Stitch 2.5" x 10.5" K to each short edge of 10.5" x 14.5" H. Add small Variable Star block to each end. Sew this section between left and right facing rooster sections, making sure center fabric H has the birds right side up.

Sew (8) 2.5" x wof K strips along the short edges to make (4) pairs of strips. Cut each strip into (1) 58.5" long piece and (1) 12.5" long piece.

Lay out top pieced block row in order referring to quilt diagram, Add 2.5" x 12.5" K between each block and at each end of that row. Sew (1) 58.5" K piece to top and bottom of row. Stitch this section to top of center of quilt.

Repeat steps above, laying out bottom pieced block row, noting block order is reversed, and add 2.5" x 12.5" K between each block and at each end. Add 58.5" K to top and bottom.

Join (8) 2.5" x wof L into (4) pairs of strips along short edge. Cut (2) strips 70.5" long and stitch to left and right of quilt. Cut remaining (2) strips 62.5" long and attach to top and bottom of quilt.

Pieced Border: (All bright fabrics that alternate with fabric L (black) are your 3.0" x 5.5" pieces.)

Referring to top border of quilt, starting at left with a Fabric A rectangle, layout bright pieces in order as follows:

A-L-E-L-B-L-F-L-C-A-L-E-L-B-L-F-L-C Stitch these blocks into a row. Repeat making four like rows.

To the C block on two of these rows, add a 5.5" x 27.0" J section. Stitch these sections to left and right side of quilt referring to quilt image for orientation.

To the remaining pieced sections, add a 5.5" x 5.5" L to A side of strip. Add 5.5" x 17.5" J section to opposite edge. Referring to quilt image, sew these sections to top and bottom of quilt.

Binding: Join binding strips along short edge and press in half lengthwise to make double fold binding.

Backing: Cut your back fabric into two sections, each 2.5 yards long. Seam along the long vertical edge so seamline will run down center back of your quilt.

Layer, quilt, bind and enjoy!

Cut Rooster applique from remaining fabric

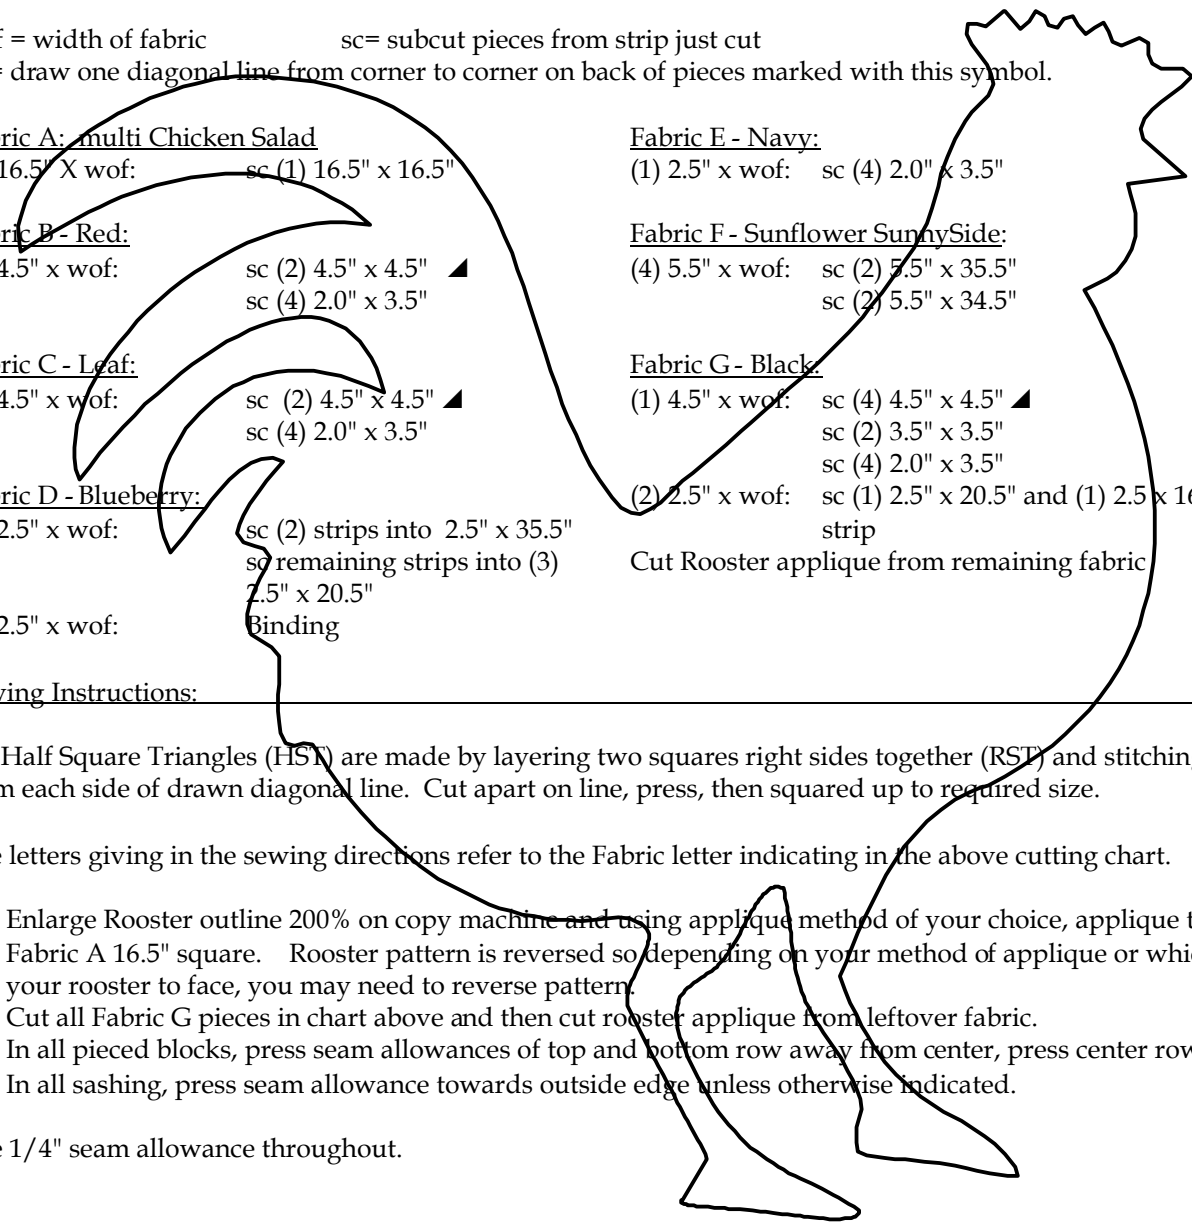

#### Sewing Instructions:

All Half Square Triangles (HST) are made by layering two squares right sides together (RST) and stitching 1/4" away from each side of drawn diagonal line. Cut apart on line, press, then squared up to required size.

The letters giving in the sewing directions refer to the Fabric letter indicating in the above cutting chart.

- Enlarge Rooster outline 200% on copy machine and using applique method of your choice, applique to center of Fabric A 16.5" square. Rooster pattern is reversed so depending on your method of applique or which way you want your rooster to face, you may need to reverse pattern.
- Cut all Fabric G pieces in chart above and then cut rooster applique from leftover fabric.
- In all pieced blocks, press seam allowances of top and bottom row away from center, press center row toward center.
- In all sashing, press seam allowance towards outside edge unless otherwise indicated.

Use 1/4" seam allowance throughout.

#### Double Monkey Wrench (9.0" fin/ 9.5" unfin.)

Using (2) 4.5" B squares and (2) 4.5" G squares, make HSTs. Trim to 3.5".

Stitch (4) 2.0" x 3.5" B rectangles along long edge to (4) 2.0" x 3.5" G rectangles. Press seam to dark.

Lay out blocks in three rows at left, using 3.5" square G for center of middle row.

Stitch into rows; stitch rows into block.

#### Grecian Square (9.0" fin./ 9.5" unfin.)

Using (2) 4.5" C squares and (2) 4.5" G squares, make HSTs. Trim to 3.5"

Stitch (4) 2.0 x 3.5" C rectangles along long edge to (4) 2.0" x 3.5" E rectangles. Press seam to dark.

Lay out blocks in three rows at left, using 3.5" square G for center of middle row.

Stitch into rows; stitch rows into block.

Stitch 2.5" x 16.5" G to top and bottom of Rooster applique block.

Stitch 2.5" x 20.5" G to left and right of Rooster applique block.

Stitch 2.5" x 20.5" D to top and bottom of block.

Stitch 2.5" x 9.5" D between pieced blocks. Press seam towards sashing.

Stitch 2.5" x 20.5" to bottom of this section.

Next stitch this pieced section to bottom of Rooster applique section. Press seam towards sashing.

Stitch 2.5" x 30.5" D to left and right of wallhanging.

Stitch 5.5" x 35.5" F to left and right of wallhanging.

Stitch 5.5" x 34.5" to top and bottom of wallhanging.

Binding: Join binding strips into continuous length and press in half lengthwise to make double fold binding.

Layer, quilt and bind.
