Directions

Prior to starting this project, please check our web site for any updates: www.clothworkstextiles.com.

- Create a strip set by sewing together the 2½" x WOF Blue Fish/Crab/Turtle strip and the Yellow/Blue Crabs strip. Cut this strip into eight 2½" sections. Figure 1.
- Sew two of these sections together to create a four-patch block. Make four, four-patch blocks. Figure 2.
- Sew a 1½" x 4½" Sea Waves rectangle to one side of each of the four patch blocks completed in step 2.
- Referring to the color diagram for placement, sew a section from step 3 to the top of the Whale and Dolphin Panel rectangles. Sew the remaining two sections from step 3 to the bottom of the Sea Lion and Sea Star Panel rectangles.
- Sew a 3½" x 10½" Sea Star rectangle to the right side of the Whale section completed in step 4. The remaining Sea Star rectangle should then be sewn to the left side of the Sea Star section.
- Sew a 1½" x 2½" Sea Waves rectangle to one side of each of the 2½" Blue Fish/Crab/Turtle squares. Sew one of these units to the top of a 3½" x 4½" Green Fish/Crab/Turtle rectangle. This unit may then be sewn to the left side of the Red Crab Panel rectangle. To complete the bottom right corner section, sew the Red Crab section to the bottom of the Whale section.
- Sew the remaining unit from step 6 to the bottom of the remaining 3½" x 4½" Green Fish/Crab/Turtle rectangle. Sew this unit to the right side of the Fish Panel section. To complete the top left corner, sew the Fish section to the top of the Sea Star section from step 5.
- Sew a 1½" x 2½" Sea Waves rectangle to one side of each of the 2½" Yellow/Blue Crab squares. Then sew these units to the top of each of the 3½" Green Fish/Crab/Turtle squares and a 1½" x 3½" Sea Waves rectangle to the bottom of the same squares.
- Sew one of the units from step 8 to the left side of the Turtle Panel rectangle, then sew a 4½" x 8½" Tossed Mammals rectangle to the top of this unit. To complete the top right corner section, sew this unit to the left side of the Sea Lion unit completed in step 4.
- Sew the remaining unit from step 8 to the right side of the Sea Otter Panel rectangle, then sew a 4½" x 8½" Tossed Mammals rectangle to the bottom of this unit. To complete the lower left corner sew this unit to the right side of the Dolphin unit completed in step 4.

Putting It Together

- To sew the four corner sections around the Blue Crab Panel center you will start by sewing a partial seam. Sew the Blue Crab Panel center to the top left corner of the Whale/Crab (lower right) corner section. Stop about 1" from the bottom of the Blue Crab Panel center and back-stitch to secure. Figure 3.
- Sew the Turtle/Sea Lion (top right) corner section to the top of the section you completed in step 1. Sew the Fish/Sea Star (top left) corner section to the left side. Then sew the Dolphin/Sea Otter (bottom left) corner section to the bottom left corner. The seam will stop at the center Blue Crab.
- Then finish sewing the partial seam you created in step 1, starting with your backstitches and sewing the Whale/Crab (bottom right) corner and Dolphin/Sea Otter (bottom left) sections together.

Borders

- Sew the 1½" x 26½" Brown Tonal Crabs to the right and left sides of the quilt center and press. Sew the remaining two Brown Tonal Crab strips to the top and bottom and press.
- With mitered corners, sew the stripe borders to the quilt top.
- Layer quilt top, batting and backing and quilt as desired. Add binding to the quilt.
