## Sewing Instructions

**All seams are sewn using 1/4" seam allowance with pieces held right sides together and raw edges even.**

- Using the quilt pictured on the cover and the assembly diagram on page 2 as guides, stitch together (3) 2" x 11" gray spiderwebs strips and (2) 11" printed motif squares, alternating the strips and squares, to make (1) 11" high x 26" wide block row. Repeat to make a total of (3) block rows.
- Stitch together (3) 1 1/2" x 2" black pumpkins pieces and (2) 1 1/2" x 11" gray spiderwebs strips, alternating the black and gray pieces, to make (1) 1 1/2" high x 26" wide sashing row. Repeat to make a total of (6) sashing rows.
- Stitch a 2" x 2 5/8" gray spiderwebs sashing strip to each short end of each 2 5/8" x 23" printed bat black strip, cut from the printed motif squares yardage, to make (2) printed bat strip rows.
- Sew sashing rows from step 2 to the top and bottom of each block row from step 1. Stitch together the block rows and the printed bat strip rows from step 3, alternating the two types of units, to complete the quilt center.
- To make the flange units, press each 1" black pumpkins strip in half, lengthwise, wrong sides together. Using 1/8" seam allowance, sew a 42 1/4" prepared flange strip to the right and left sides of the quilt top, raw edges even. Repeat using the prepared 26" long units to add a flange border to the top and bottom.
- Stitch 42 1/4" hot pink spiderwebs strips to the left and right sides of the quilt top. Sew 27 1/2" pink spiderwebs strips to the top and bottom to complete the first border.
- Trim the selvages from the 2" black pumpkins strips and sew the strips together end to end to make a long 2" strip. From this long strip, cut (2) 43 3/4" lengths. Sew these lengths to the left and right sides of the quilt top. Stitch 1 7/8" x 30 1/2" lengths to the top and bottom to complete the second border.
- Stitch a 2 1/2" black pumpkins square to one short end of each orange and purple 2 1/2" x 4 1/2" piece.

- Stitch 2 1/2" orange and 2 1/2" purple squares to opposite sides of a 2 1/2" black pumpkins square in the arrangement and quantity listed below:

10. Using the quilt pictured on the cover and the assembly diagram below as guides to correct placement, stitch together (12) black square units from step 9, (6) purple units from step 8 and (5) orange units from step 8, alternating the orange and purple step 8 units with the black square units. Repeat to make a second pieced border unit that is a mirror image of the first. Stitch these pieced borders to the left and right sides of the quilt top, noting orientation.

11. Repeating the procedure from step 10, stitch together (8) black square units from step 9, (4) purple units from step 8 and (3) orange units from step 8, alternating the orange and purple step 8 units with the black square units. Repeat to make a second pieced border unit that is a mirror image of the first.

12. Arrange (4) 2 1/2" orange spiderwebs squares, (4) 2 1/2" dark orange pumpkins squares, and (1) 2 1/2" black pumpkins square into (3) rows with (3) squares in each row as shown in the outer border corner blocks below. Stitch the squares into rows and sew the rows together to make (1) nine-patch block. Repeat to make a total of (4) nine-patch blocks.

13. Stitch a nine-patch block to each end of each pieced border unit made in step 11, noting orientation. Stitch the two border units to the top and bottom to complete the quilt top.
