

Catberry R.F.D. the first of a collectible series by Debra Mason

Catberry R.F.D. patterns used in this quilt:

ADM-3640-6 RED

ADM-3641-2 BLUE

ADM-3641-1 RED

ADM-3638-1 CANARY

Kona Multi Dye EDD2459-77 ROYAL

ADM-3639-2 BLUE

All patterns are shown approx. 1/3 actual size.

A portion from all the sales of Catberry R.F.D. fabrics will be donated to the American Humane Association.

Catberry R.F.D.

Quilt designed, pieced and quilted by
Nancy Hammond of Sand & Sun Designs (310-371-3195)

FINISHED SIZE: approx. 35" x 47"

MATERIALS NEEDED

Center Squares (A): $\frac{3}{4}$ yd. ADM-3639-2 Catberry Darker Blue
Background (B): $\frac{1}{2}$ yd. ADM-3638-1 Canary Floral
Triangles (C) and Inner Border: $\frac{3}{4}$ yd. Kona Multi Dye EDD2459-77 Royal
Red Squares (D): $\frac{1}{4}$ yd. ADM-3641-1 Mice on Red
Blue Squares (E): $\frac{1}{4}$ yd. ADM-3641-2 Mice on Blue
Outer Border and Binding: $1\frac{3}{4}$ yds. ADM-3640-6 Cats on Red
Backing: $1\frac{1}{2}$ yds.

CUTTING (includes $\frac{1}{4}$ " seam allowance)

Center Squares (A): Cut six $6\frac{1}{2}$ " squares, placing the Catberry motifs in the center of each square.

Background (B): Cut 48 $3\frac{1}{2}$ " squares.

Triangles (C): Cut 24 $6\frac{1}{2}$ " x $3\frac{1}{2}$ " rectangles.

Red Squares (D): Cut 12 $3\frac{1}{2}$ " squares.

Blue Squares (E): Cut 12 $3\frac{1}{2}$ " squares.

BLOCK ASSEMBLY

To make the B-C rectangle units, place a B $3\frac{1}{2}$ " square on one end of the C rectangle as shown, right sides together. Sew across the diagonal of that square as shown, and press back over the seam. Repeat on the other end of the rectangle. Trim off the excess to $\frac{1}{4}$ " to eliminate bulk. You will make 24 B-C units.

Sew the blocks together using the B-C units, plus A, D, and E squares as shown. Blocks should measure $12\frac{1}{2}$ " square and will finish at 12" square.

QUILT TOP ASSEMBLY

Using the photo of the finished quilt as a guide, assemble the quilt blocks to form the quilt top.

BORDERS

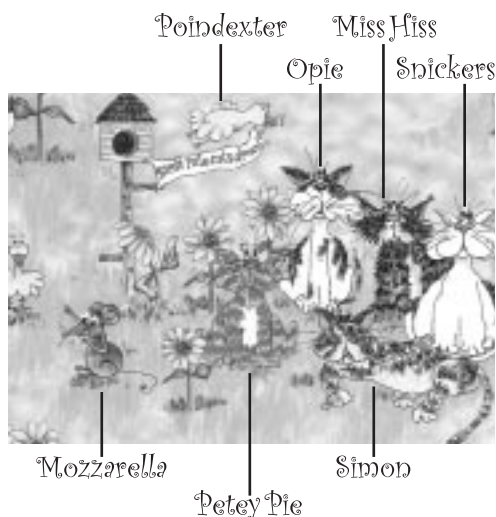

Inner Border: Measure the length of the quilt top and cut two $1\frac{1}{2}$ " strips that long from the inner border fabric. Sew a strip on each side of the quilt. Then measure across the width of the project including the borders you just added. Cut two $1\frac{1}{2}$ " strips that long from the inner border fabric, and sew to the top and bottom of the quilt. Press seams.

Outer Border: The Outer Border fabric is directional, and is cut so the cats all run right side up as shown in the photo. Measure the length of the quilt top plus the inner border. Cut two $4\frac{1}{2}$ " lengthwise strips that long, and sew to each side. Then measure across the width of the project including the borders you just added. Cut two $4\frac{1}{2}$ " crosswise strips that long, and sew to the top and bottom. Press quilt top nicely.

FINISHING

Back, quilt and bind as desired.

Inspired by the artist's own beloved rescued pets, this fabric collection features a zany cast of characters from a heartwarming little town called Catberry R.F.D. Meet all the townsfolk:

Miss Hiss... moody, beautiful, in love with Snickers
Opie... the cat who's never met a stranger
Snickers... heart of gold, loves food and peace
Petey Pie... loves to sing, play and eat
Simon... tough, mischievous and very popular
Mozzarella... the mischievous mouse
Poindexter... the bird who soars above it all
