PLEASE READ ALL INSTRUCTIONS BEFORE BEGINNING

- An accurate 1/4" seam is essential to the piecing of this quilt. All seams are sewn with 1/4" seams.
- The trees are made up of triangles and rectangles and are machine appliquéd on to the pieced background.
- HST refers to half-square triangles. Squares cut in half once to create two triangles.
- QST refers to quarter-square triangles. Squares cut in half twice to create four triangles.

Cutting (WOF = width of fabric)

G8581 Cream

Cut **two** 15 7/8" squares; sub-cut into **four** HST.

Cut **one** 15 1/2" square.

G8587 Cream

Cut **two** 15 7/8" squares; sub-cut into **four** HST.

Cut **one** 16 1/4" squares; sub-cut into **four** QST.

G8582 Cream

Cut **one** 16 1/4" square; sub-cut into **four** QST.

G8695 Sage

Cut **two** 9 1/2" squares; sub-cut into **four** HST.

Cut **four** 4 1/2" squares; sub-cut into **eight** HST.

G8582 Green

Cut **four** 6 1/2" squares; sub-cut into **eight** HST.

Cut **two** 3 1/2" squares; sub-cut into **four** HST.

G8565 Scarlet

Cut **four** 2 3/4" x 3 1/4" rectangles.

Cut **four** 2" x 2 1/2" rectangles.

For **table topper**: cut **four** 2 1/2" strips for binding.

For **tree skirt**: cut **five** 2 1/2" strips for binding and **one** 2 1/2" x 18"-20" bias strip for center circle.

Block construction:

Background

1. Sew a **G8587 Cream** 16 1/4" QST to a **G8582 Cream** 16 1/4" QST. Make **four**. Sew fabrics on the same side for all four.

2. Sew a 15 7/8" HST **G8587 Cream** to the side of the two QST.

Quilt construction

4. Sew these QST/HST units to the **G8581 Cream** 15 7/8" HST and 15 1/2" square to create the octagon shape background. Rotate the QST/HST unit so that the four **G8582 Cream** QSTs create a diamond around the center square.

Fusing trees

5. Apply a two sided light fusible material to the backs of the remaining **G8582 Green** and **G8595 Sage** triangles and **G8565 Scarlet** rectangles following manufacturer's instructions.

6. Using the front photo as a guide, starting with the tree trunks, center the **Scarlet** rectangle 1/4" from the edge of background on the **G8581 Cream** HST. Fuse in place.

7. Repeat process, in order, starting with the **G8595 Sage** 9 1/2" triangle, **G8582 Green** 6 1/2" triangle, and **G8595 Sage** 4 1/2" triangle. The top of the tree should extend into the center square.

8. Repeat with the other three large trees in the **G8581 Cream** HST.

9. Starting with the small **Scarlet** rectangle, following the cover photo, fuse it onto the **G8582 Cream** QST about half-way down the triangle. Repeat process, in order, with the **G8582 Green** 6 1/2" triangle, **G8595 Sage** 4 1/2" triangle, and **G8582 Green** 3 1/2" triangle. Tree will point OUT towards the edge of the background, ending 1/4" from edge.

10. Repeat with the other three small trees in the **G8582 Cream** QST. For tree skirt, you can leave off one of the small trees.

11. Optional: Machine appliqué around edges of trees with an appliqué thread using a decorative stitch.

Finishing

Piece the backing into a square, layer and quilt keeping the back and batting square. The edges of the backing and batting should be at least 2" beyond the quilt top.

Trim the backing and batting to within 1/4" from quilt top edge.

Table topper: Sew the four 2 1/2" **Scarlet** binding strips together with diagonal seams. Fold in half, wrong sides together and sew on with 1/4" seam from the quilt top (not the batting) using a French binding technique. Turn to back and slip stitch by hand to back or use a decorative stitch by machine.

Tree skirt: Using a rotary cutter, cut a slit down the center of the side without the small tree, stopping at the center of the top. Using a cup or template, cut out a circle in the center of the quilt.

Sew the five 2 1/2" **Scarlet** binding strips together with diagonal seams. Fold in half, wrong sides together and sew on all raw edges of quilt including the slit in the center 1/4" from edge of top (not batting), mitering corners. Turn binding to back and slip stitch to back by hand or use a decorative stitch by machine.

Fold the 2 1/2" x 18" bias **Scarlet** binding strip in half, wrong sides together. Fold one end in 1/4" and sew to inner circle, starting at one edge and covering the end of the other binding strip. When close to the other edge of the circle, trim the binding to 1/4" from end and fold under. Finish sewing over the binding strip. Turn binding to back and slip stitch to back by hand or use a decorative stitch by machine.

Remember to put a label on the back and
ENJOY!
