Quilter Basics

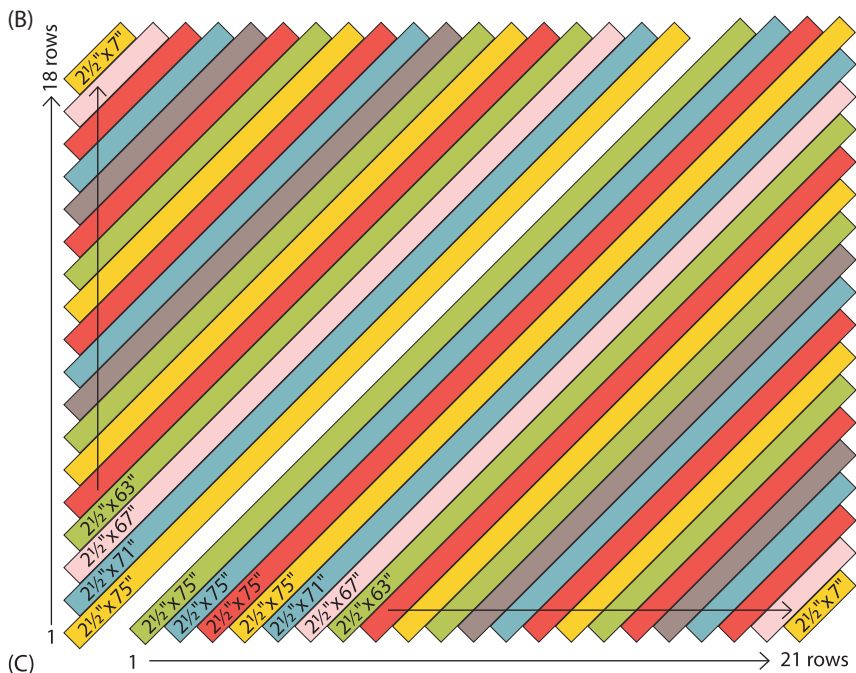

Read instructions before beginning a project.
All instructions include a $\frac{1}{4}$ " seam allowance.
22" measurement is approximate.
WOF—approximately 40".

Quilt Construction

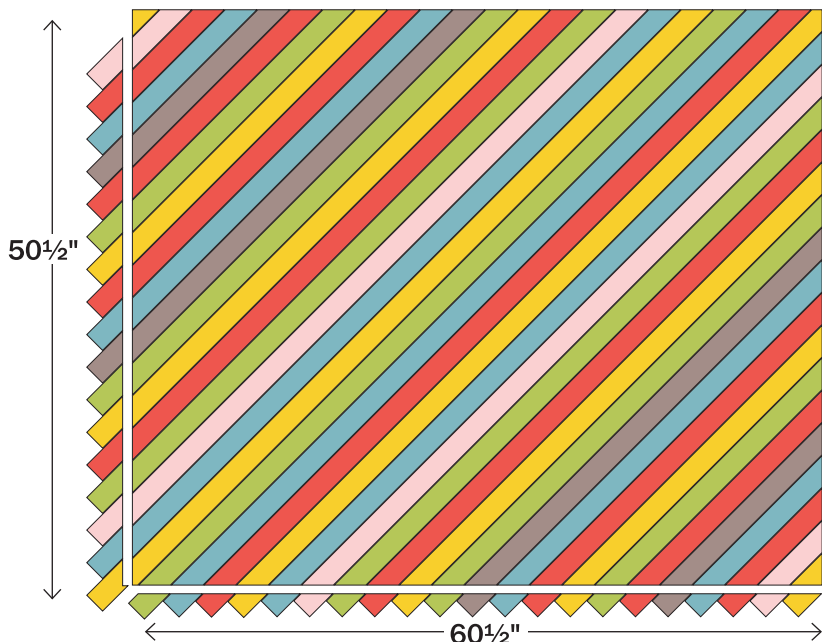

- 1** **Quilt top:** Sew the 3- $2\frac{1}{2}$ "x WOF strips of each print together, end to end. *The majority of the strips are more than the width of the fabric long.* (A) Start with 1- $2\frac{1}{2}$ "x75" strip. Add the next strip. This strip will be 4" shorter than the previous strip and offset 2" before being sewn to the previous strip. Press open. (B) First half: Continue adding strips, each time making the next strip 4" shorter and offsetting the strip 2". Repeat for 18 strips (the last strip will be $2\frac{1}{2}$ "x7"). (C) Second half: Repeat the process with 4- $2\frac{1}{2}$ "x75" strips then add 17 more strips.
