Piecing Instructions

Make Flying Geese blocks from the star background rectangles and the star point squares. Draw a line on the wrong side of the star point squares. Sew along drawn line, just to the outside, to compensate for the fabric folding.

Trim excess fabric from corner leaving approximately $\frac{1}{4}$ " and press triangle out. Repeat on other side to complete Flying Geese blocks.

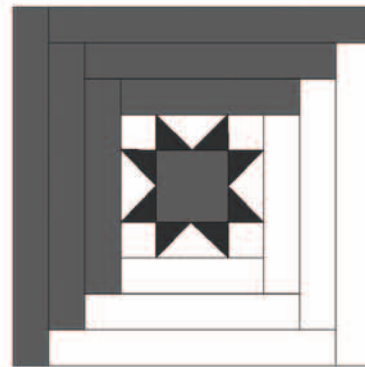

Piece star blocks together and press toward solid squares.

Use traditional log cabin piecing techniques to piece 80 Log Cabin blocks measuring 8" unfinished. Press well.

Layout blocks according to picture. Add borders.

Quilt and bind. **ENJOY!**
